- DISCO FEVER- Restrictions: 42" minimum height or 36" with ticketed adult. No bare feet or open toed shoes. What to expect: Passengers are challenged to find passage through a maze of mirrors and glass, and are rewarded with comical illusions and a spiral slide. Ride dynamics: mild. Admission: 3 tokens.
- HI-ROLLER- Restrictions: 56" minimum height. All riders must have a partner. What to expect: Passengers are tossed from side to side while turning upside down in a looping train. Ride dynamics: intense. Admission: 4 tokens.
- STAR SHIP- Restrictions: 48" minimum height. What to expect: Passengers experience weightlessness as centrifugal force lifts them off their feet in a high-speed circular motion. Ride dynamics: moderate. Admission: 3 tokens.
- POWER- Restrictions: 52" minimum height and 72" maximum height. What to expect: Passengers are spun up to 131' feet in the air at speeds of up to 60mph. Ride Dynamics: Extremely intense. Admission: 10 tokens or 5 tokens with wristband.
- BREAK OUT - Restrictions: 52" minimum height and 76" maximum height. Passengers are spun in a horizontal motion as the car swings in a pendulum motion. Ride dynamics: intense. Admission: 5 tokens.
- SCOOTER- Restrictions: 48" minimum height. What to expect: Drivers bump other driver's cars on an enclosed track. Ride dynamics: mild to moderate. Admission: 3 tokens.
- FIRE BALL- Restrictions: 48" minimum height. What to expect: Passengers are taken upside down to a height of 60' in a high-speed looping train. Admission: 4 tokens
- PIRATE- Restrictions: 42" minimum height or 36" with a ticketed adult.. What to expect: Passengers sit in a massive boat as they are propelled upwards to various heights. Ride dynamics: Mild to moderate. Admission: 3 tokens.
- COMBINATION CARS- Restrictions: 36" minimum height and 48" maximum height. What to expect: your choice of a favorite vehicle in a medium speed circular race. Ride dynamics: mild. Admission: 3 tokens.
- MOTORCYCLES- Restrictions: 36" minimum height and 48" maximum height. What to expect: your choice of a favorite motorcycle in a medium speed circular race. Ride dynamics: mild. Admission: 3 tokens.
- MINI JET- Restrictions: 36" minimum height and 48" maximum height. What to expect: Riders will experience the thrill of flying in a dragon, spaceship, or helicopter. Ride Dynamics: mild. Admission: 3 tokens.
- HOLIDAY TRAIN- Restrictions: 36" minimum height and 48" maximum height. Ride Dynamics: mild. Admission 2 tokens.
- WET BOATS- Restrictions: 36" minimum height and 52" maximum height. Ride dynamics: mild. Admission: 2 tokens.
- TILT-A-WHIRL- Restrictions: 48" minimum height. What to expect: low and medium speed spinning actions on tilting platforms. Ride Dynamics: Mild to moderate. Admission: 3 tokens.
- SPINOUT- Restrictions: 52" minimum height. What to expect: Passengers will experience vertigo, as they are tossed upside down and side-to-side in a smooth fashion. Ride Dynamics: Intense. Admission: 5 tokens.
- CAROUSEL- Restrictions: 42" minimum height or with a ticketed adult. What to expect: a smooth and gallant trip on one of 30 galloping horses. Ride dynamics: mild. Admission: 3 tokens.
- CENTURY WHEEL- Restrictions: 42" minimum height or with an adult. No single riders. What to expect: a smooth comfortable ride to 60' and a beautiful view of the fair. Ride Dynamics: Mild. Admission: 4 tokens.
- CRAZY DANCE- Restrictions: 48" minimum height. What to expect: Riders' cars are spun from side to side while traveling on a spinning disk. Ride Dynamics: Moderate Admission: 4 tokens.
- RAIDERS- Restrictions: 42" minimum height or 36" with a ticketed adult. What to expect: Adventures crawl, climb, dodge, squeeze and slide through a maze of obstacles. Ride Dynamics: Mild. Admission: 3 tokens.
- RAVEN- Restrictions: 52" minimum height. What to expect: Riders experience side to side forces as well as "hang-time" while being whisked up to 40'. Ride dynamics: Moderate. Admission: 3 tokens.
- ARCTIC BLAST- Restrictions: 52" minimum height or 42" with a ticketed adult. What to expect: Passengers experience a strong sideways force as they travel at high speeds over hills in a circular pattern. Ride dynamics: intense. Admission: 4 tokens.
- SILVER STREAK- Restrictions: 42" minimum height or 36" with a ticketed adult. What to expect: Passengers experience a moderate sideways force as they travel over hills in a circular pattern. Ride dynamics: mild. Admission: 3 tokens.
- SUPER SLIDE- Restrictions: 42" minimum height. What to expect: Rides can race side-by-side down the gentle slopes of this slide. Ride dynamics: mild. Admission: 2 tokens.
- ORBITER- Restrictions: 48" minimum height. All riders must have a partner. What to expect: Passengers will experience vertigo as they are tossed sideways in multiple high-speed circular motions. Ride Dynamics: Intense. Admission: 4 tokens.
- DINOSAURS- Restrictions: 36" minimum height and 52" maximum height. What to expect: your choice of a favorite dinosaur in a medium circular race. Ride dynamics: mild. Admission: 3 tokens.
- DRAGON WAGON- 48" minimum height or 36" with a ticketed adult. What to expect: a smooth and thrilling ride on a small rollercoaster. Ride dynamics: mild. Admission 3 tokens.
- LOONEY AIRPORT- 42" minimum height or 36" with a ticketed adult. What to expect: Riders will experience the thrill of simulated flight. Ride dynamics: mild. Admission: 3 tokens.
